Professional Employment

DIRECTIONS COUNSELING GROUP/NEW DIRECTIONS SUBSTANCE & BEHAVIORAL SERVICES

Worthington, Ohio

Client Relationship Coordinator

3/2013 – 10/2016

Clinical Evaluator

8/2015 – Present

Full-time clinical services provider with specialization and expertise in the provision of substance abuse, mental health, anger management, domestic violence, and ILC assessments.

Currently serving as the primary evaluator on staff. Clinical evaluations are synthesized using best-practice and standardized methods while under mandatory professional supervision. Reports are most commonly utilized by criminal defense attorneys and probation officials. Over 3,000 clinical evaluations completed to date across a local and national client base.

BUCKEYE MEDICAL GROUP (Arabella HRT)

Dublin, Ohio

Outpatient Mental Health & Substance Abuse Counselor

9/2017 – 11/2018

Facilitated both individual and group therapy with patients of Jyoti R. Chawla, MD.

Counseling provided in compliance with Ohio guidelines for comprehensive and wholistic medically assisted treatment for Opioid Use Disorder. Utilized solution-focus brief therapy, cognitive behavioral therapy, and motivational interviewing techniques in combination with Buprenorphine therapy in an effort to encourage positive treatment outcomes and sustained recovery from opioid dependence.

Education

CAPITAL UNIVERSITY *Bexley, Ohio* **Bachelor of Science in Social Work - 5/2018**

Completed 2-semester-long internships at Columbus Springs. Created and fulfilled specific objectives within all of the NASW's 9 core competencies. Over the course of 10 months, spent time working across each of the psychiatric hospital's 3 levels of care (inpatient, partial hospitalization, and intensive outpatient) and was tasked primarily with the following: patient intake responsibilities such as diagnostics and patient orientation, discharge planning/aftercare coordination, collateral/family consultation, and facilitation of group therapy.

COLUMBUS STATE COMMUNITY COLLEGE *Columbus, Ohio* **Associate of Applied Science in Social & Human Services - 5/2016**

Fulfilled semester-long practicums at Ohio Health's Grant Medical Center and Food for Good Thought. Conducted substance abuse interventions with patients at Grant utilizing SAMHSA's SBIRT treatment modality. Prior to discharge from ICU and as clinically appropriate, patients would be referred to treatment support options.

Coached and assisted clients who have developmental disabilities develop important life and employment-based skills at Food for Good Thought. Services provided contrast on creating sustainable and autonomous living for those impaired by autism spectrum disorder.
